Dear Vendors and/or Sponsors:

The Idaho Chiefs of Police Association (ICOPA) is proud to announce our 2018 Winter Conference, hosted by the Nampa Police Department, on January 29, 30, and 31, 2018, at the Nampa Civic Center, located at 311 3rd Street, Nampa, Idaho.

We're inviting outstanding industry partners to join us during this great event as a featured vendor and/or sponsor. Your participation and support brings exceptional training to law enforcement professionals and provides agencies with 'best practice' and 'best information' from first-hand experienced trainers.

We anticipate 80 to 100 law enforcement and public safety executives from across the State of Idaho to attend this year's conference. Those in attendance are the decision makers for their respective agencies and departments. This event provides one of the best opportunities for getting your products, information and services in front of key players in the law enforcement arena.

Registration and Payment:

We have set up a PayPal account that will enable you to register and pay the \$425.00 registration fee online. Registration and payment will be available through the ICOPA website (www.icopa.org) starting Monday, December 11, 2017. Scroll down to the News and Announcements section, ICOPA Winter Conference 2018, to register by using the live link provided. Please note that the online registration will require payment through PayPal at the time of registration.

You are invited to attend the breakfasts, lunches, and breaks during the conference, along with the Monday evening dinner at the Brick 29 Bistro restaurant. Attached you will find a registration form requesting to know what activities you will be participating in. Please fill out the registration completely; this will help us have an accurate headcount so that we can make proper arrangements for meals and such.

Please fill out the form completely and submit it to my assistant, Alice DeLeon, at adeleon@tfd.org or drop it in the mail with your check. Our mailing address is:
