Dear Sponsor:

The Idaho Chiefs of Police Association (ICOPA) is proud to announce our Fall Conference 2017, hosted by the Twin Falls Police Department, at the Canyon Crest Event Center, 330 Canyon Crest Drive in Twin Falls, Idaho, October 2, 3, and 4, 2017.

We're inviting outstanding industry partners to join us during this great event as a sponsor. Your participation and support brings exceptional training to law enforcement professionals and provides agencies with 'best practice' and 'best information' from first-hand experienced trainers.

We anticipate 80 to 100 law enforcement executives from Idaho to attend this year's conference. Those in attendance are the decision makers for their respective agencies. This event provides one of the best opportunities for getting information regarding your organization in front of key players in the law enforcement arena.

## **Sponsorship Registration and Payment:**

There are many ways you can sponsor at the seminar. The platinum, gold, silver, or bronze sponsorships include a booth if you wish to provide information about your organization or showcase your product. These sponsorships include the registration fee. Sponsors will get recognition on attendee literature and signage in and around our conference area. Generally, booth location selections are granted as first come, first served, with the exception of these paid sponsorships.
